

ALPHA PROPERTY ASSET MANAGEMENT LTD

**A REAL ESTATE SERVICE TO PROPERTY OWNERS
AND OCCUPIERS**

We are a private and independent practice expanding in all aspects of the property market throughout the UK with offices in Central London and the South East.

From these locations we provide a broad range of services across the full spectrum of the commercial property markets.

Client Support

Our emphasis is in providing each Client with a proactive service focused to their needs with a group of professionals formed into an integrated team in support – at the same time providing each Client with their own individual point of contact.

Our Services

We provide an expert, director led service in the following areas of practice: -

- Asset/Portfolio Management
- Residential and Commercial Investment
- Valuations
- Rent Reviews and Lease Renewals
- Rating Appeals (including attendance at Valuation Tribunals)
- Commercial Property Investment and Agency

At a time when the property services industry is polarising between global firms and niche practices we aim to provide a wide range of services to owners and occupiers of real estate with an uncompromisingly high level of service and dedication for which our clients continue to return.

We are already seen by many of our competitors and clients as a business that is flexible and tailor made to suit the needs of individual clients. As the major property advisers continue to grow we consider our role is to focus on the private investor and the small to medium sized corporate organisation in providing them with

REAL PROPERTY SOLUTIONS!

If you are considering engaging property advisers to assist in any one of the above areas or would like to see how we could improve your property performance please contact either:
